NUNDAH PROGRAM TERM 4

Koala Joeys Family Program is a **free, interactive music and movement program** which focuses on empowering parents and carers to use nursery rhymes, songs, dance, relaxation and stories as a tool to form secure attachments, learn about early literacy and numeracy, as well as further develop emotional and social skills all whilst having fun.

Parents learn that 'they are' their child's best instrument and supporter and expensive toys and equipment are not required to support their child's development.
